It is aimed at assisting you to compare insurance products so that you can make an informed choice about whether or not to acquire the product.

Before acting on any information or general advice we give you, you need to consider the appropriateness of that information or general advice having regard to your individual objectives, financial situation and needs.

If you are seeking financial advice that takes into account your personal financial situation, you should contact a licensed financial adviser. How Famous is remunerated

Acting as agent

Famous may receive a commission from RACQ Insurance for issuing policies on behalf of RACQ Insurance. The commission payable is up to 20% of the first year's premium for each policy issued, and up to 20% of any increased annual premium where there is an increase in cover. Any commission is calculated on the base premium, excluding statutory and government charges. You may request particulars of the remuneration within a reasonable time after receipt of this FSG and prior to the provision to you of any financial service identified in this FSG.

Famous' staff (including directors) are paid a market salary and may also receive a bonus or other incentives based on their performance.

Agency fee

In some circumstances Famous may charge you an Agency Fee. This Agency Fee is noted on your insurance schedule. Famous can tell you the exact fee at the time you contact them. Such fees might include:

- Preparation and distribution of documentation; and
- Amendments to the policy during the policy year.

Instalment fee

If you elect to pay via instalments, Famous will charge you an instalment fee of \$10 per annum plus GST. Any instalment fee paid is not refundable in the event of cancellation unless the insurance contract is cancelled within the cooling off period or is a full term cancellation.

Credit card surcharge

Famous reserves the right to apply a surcharge to all payments made by credit card. If a surcharge is applied, it will be in the range of 0.00% to 3.00% of the total cash amount depending on the type of credit card use. This surcharge is passed onto the financial institution providing the merchant facility. Any credit card surcharge applied is not refundable in the event of cancellation.

Cancellation

If there is a premium refund due for cancellation or adjustment, Famous will refund you the commission on the refunded premium but it will charge a fee for the cancellation or adjustment. This fee is \$20 (plus GST). If the amount to be refunded at the cancellation or adjustment is less than \$20, there will be no refund.

Any premiums received from you are held in Famous' trust account prior to being forwarded to the insurer. Famous will retain any interest earned on the money held in its trust account.
